While most of the requested corrections are believed to be self-explanatory, Patentees wish to make the following comment on the correction requested to col. 5, line 52. That the equation in question should read as requested in the attached Certificate is apparent from Figs. 14C and 14D, discussed in the passage where the equation occurs.

Patentees' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
